Important Customer Information – Notification for End of Production

First and foremost, thank you very much for your continued business. We are committed to continue to deliver quality products to you.

With this letter we inform all Watec customers that we are initiating the end of life process for the following models.

- WAT-231S2 NTSC (1/3" High Sensitive Analog Color Camera)
- WAT-250D2 NTSC (1/3" Compact & High Sensitive Analog Color Camera)
- WAT-600CX NTSC (1/3" One-cable System High Sensitive Analog Color Camera)

After the discontinuation announcement of CCD sensors from Sony, we submitted a blanket order in order to guarantee for the delivery of Watec cameras with the CCD sensors in the future. Considering the remaining number of CCD, we schedule to discontinue production of products listed above in this announcement in Q1 of 2019. On the other hand, we will be able to supply these PAL version for a few more years.

We would like you to contact all your customer in order to determine the projected life-cycle of your application and the adequate of these models. Please place an order for them when needed.

Regarding the successor model, we will consider and develop according to customer's request.

If you have any further questions, please contact us anytime.

Sincerely,

Watec Co., Ltd.
